Counseling and Re-habilitation:-

We have to serve and Rehabilitation to all registered children's and also understands the children's real situation and speaks freely. After that we have guide to children's about t type of accidents. Understand the children's interest we have arranged the free plan of child future. We have provided bridge education to children and also provide weakly counseling to every registered child in our centre. Through the counseling we know the address of the children's as well as reason of the leave of their home. Then visit to their home and collect the detail information of every child.

We have counseling to family members about deep background history of the registered child. Still the staying in our centre we have continuous communication with family members. In case of the parents are taking the care and also changes of the child behavior. When parents want to send him back to their home with children is given and some children send to children welfare committee. In case of out of district we send to that district Government boy's home Ballari.
